Dear ICS Members

We would like to report the successful completion of the ICS GB Elections 2022-23. We have the results ready for declaration. Dr D J Christopher, the Past President ICS would like to thank the ICS GB, for entrusting him with the responsibility of conducting a free and fair election, on behalf of the members. I, the President of ICS CONGRATULATE him for meticulously conducting and completing the recommended ICS Election. He has taken a lot of effort to ensure that elections were conducted in accordance with the processes outlined in the constitution

The e- voting was conducted by Government approved & ICS GB authorised vendor CDSL, using the primary email of the eligible ICS member, as per the Bylaws and constitution of Indian Chest Society.

In all, 1261 members exercised their franchise. This is the second highest in record and we had 34 % higher participation compared to the last year. We would like to thank you, for voting enthusiastically and maintaining the decorum of the election process. Without your participation and cooperation, this exercise could not have been completed successfully.

We congratulate all the winners who will be sworn in at the AGM. We wish those who did not make it this time to try again in future elections.
